BCA Student  
Khushboo240506@gmail.com | +91-7618550742

## PROFILE

Motivated and enthusiastic BCA student with a passion for technology, continuous learning, and personal growth. Eager to apply my technical skills and strong work ethic to contribute effectively and grow in a professional environment.

## EDUCATION

|                                                                                                   |           |
|---------------------------------------------------------------------------------------------------|-----------|
| <b>Bachelor of Computer Applications (BCA)</b><br>Galgotias University<br>7.22 SGPA (till sem IV) | 2024–2027 |
| <b>AISSCE; Class XII</b><br>Delhi Public School, Agra — 78%                                       | 2024      |
| <b>AISSE; Class X</b><br>GD Goenka Public School, Agra — 76%                                      | 2022      |

## PROJECTS

- EduPredict · Student Performance Analysis & Prediction Using Machine Learning | Machine Learning**  
Developed an ML-based system for early identification of at-risk students, including pass/fail classification, score estimation, and student segmentation. Applied Logistic Regression, Decision Tree, Random Forest, KNN, Naive Bayes, SVM and MLP; Linear Regression; K-Means; correlation heatmaps, confusion matrices and PCA clusters. Included a Streamlit application.
- Neural Network Framework | C++**  
Developed a neural-network framework in C++ from scratch, implementing core neural-network components with a focus on efficient computation, memory management, and performance optimization.
- Fire Detector Using ARDUINO UNO**  
Developed a fire detection system using Arduino UNO and an IR-based flame sensor. The system monitors surroundings and activates a buzzer and LED when fire is detected.

## CERTIFICATES

- Industrial IoT and Control Systems in Energy — Cisco
- Introduction to IoT and Digital Transformation — Cisco
- Entrepreneurship — NPTEL
- Database Management System — Oracle Academy

## SKILLS

|                                                                                  |                                                                                                                                                                                            |
